

TORONTO, ONTARIO--(Marketwired - Jun 28, 2016) - [Cordoba Minerals Corp.](#) (TSX VENTURE:CDB)(OTCQX:CDBMF) ("Cordoba" or the "Company") is pleased to announce that the Company's common shares will begin trading today on the OTCQX International in the United States under the symbol "CDBMF". Cordoba's common shares also will continue to trade on the TSX Venture Exchange under the symbol "CDB".

OTCQX is the top tier of the OTC market, reserved for established, investor-focused U.S. and global companies. Mario Stifano, CEO of Cordoba stated: "We are very pleased to have our Company's securities commence trading on the OTCQX as we work to increase our appeal to U.S. and institutional investors and broaden our shareholder base."

U.S. Investors can find current financial disclosure and real-time, level two quotes for the Company at www.otcm Markets.com/stock/CDBMF/quote.

Burns Figa & Will PC will serve as the Company's Principal American Liaison ("PAL") on OTCQX, responsible for providing guidance on OTCQX requirements.

About Cordoba Minerals

[Cordoba Minerals Corp.](#) is a Toronto-based mineral exploration company focused on the exploration and acquisition of copper and gold projects in Colombia. Cordoba has a joint venture with High Power Exploration on the highly prospective, district-scale San Matias Copper-Gold Project located at sea level with excellent infrastructure and near operating open-pit mines in the Department of Cordoba. Forward-Looking Statements

This news release includes certain "forward-looking information" within the meaning of Canadian securities legislation. Forward-looking statements include predictions, projections and forecasts and are often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "forecast", "expect", "potential", "project", "target", "schedule", "budget" and "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions and includes the negatives thereof. All statements other than statements of historical fact included in this release, including, without limitation, statements regarding the potential of the Company's properties are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements are based on a number of material factors and assumptions. Important factors that could cause actual results to differ materially from Company's expectations include actual exploration results, changes in project parameters as plans continue to be refined, future metal prices, availability of capital and financing on acceptable terms, general economic, market or business conditions, uninsured risks, regulatory changes, delays or inability to receive required approvals, and other exploration or other risks detailed herein and from time to time in the filings made by the Company with securities regulators. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ from those described in forward-looking statements, there may be other factors that cause such actions, events or results to differ materially from those anticipated. There can be no assurance that forward-looking statements will prove to be accurate and accordingly readers are cautioned not to place undue reliance on forward-looking statements which speak only as of the date of this news release. The Company disclaims any intention or obligation, except to the extent required by law, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
