

Vancouver, British Columbia / TheNewswire / July 12, 2016. Further to the Management Cease Trade Order dated May 2, 2016 (the "MCTO") issued under National Policy 12-203 Cease Trade Orders for Continuous Disclosure Defaults ("NP 12-203") in respect of [Nortec Minerals Corp.](#) (the "Issuer" or the "Company") (TSX-V: NVT) the default announcement of the Company dated April 29, 2016 (the "Default Announcement"), and the subsequent bi-weekly default status reports issued on May 16, 2016, May 30, 2016, June 13, 2016 and June 27, 2016, the Company announces that it is still not in a position to file its audited annual financial statements (the "Issuer Statements"), management's discussion and analysis ("MD&A") and related certifications for the fiscal year ended December 31, 2015 (collectively, the "Required Records"), as required, due to the delay in the filing of the audited annual financial statements (the "Finore Statements") for the year ended December 31, 2015 of Finore Mining Inc. ("Finore"), a reporting issuer in which the Issuer holds a control position.

Finore has announced that its auditor is in the process of completing the audit of the Finore Statements, which will occur by July 18, 2016. Upon completion of the audit of the Finore Statements, the Company expects to be able to complete and file the Required Records. Nortec is also in the process of divesting the majority of its Finore shares to another party.

The Company advises that it is also delinquent in respect of the filing of interim financial statements for the quarter ended March 31, 2016 and related MD&A and certifications and that it anticipates filing the same within 2 weeks of when the Issuer Statements are filed.

Pursuant to the MCTO, the Chief Executive Officer and the Chief Financial Officer of the Company may not trade in the securities of the Company until such time as the Company files the Required Records and the Executive Director of the BCSC revokes the MCTO. The MCTO does not affect the ability of shareholders to trade their securities.

Other than as disclosed in this press release, there are no material changes to the information contained in the Default Announcement. The Issuer confirms that it intends to satisfy the provisions of section 4.4 of NP 12-203 and will continue to issue bi-weekly default status reports for so long as the Issuer remains in default of the financial statement filing requirements.

On behalf of the Board of Directors,
[Nortec Minerals Corp.](#)

Mohan R. Vulimiri
Chief Executive Officer
