

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Jul 13, 2016) - [InZinc Mining Ltd.](#) (TSX VENTURE:IZN) ("InZinc" or the "Company") at the request of IIROC, the Company wishes to confirm that it is unaware of any material change in the Company's operations that would account for the recent increase in market activity.

About InZinc Mining Ltd.

InZinc owns a 100% interest in the West Desert zinc-copper-iron project located in western Utah. West Desert hosts a large and potentially expandable resource and benefits from all-weather road access, on-site grid power and proximity to natural gas transmission. It is located 90 kilometres (55 miles) from multiple transcontinental rail networks accessing all major North American markets and servicing a variety of western US ports. Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and US securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the Company's next shareholder meeting. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results, performance, or actions and that actual results and actions may differ materially from those in forward-looking statements as a result of various factors, including, but not limited to, those risks and uncertainties disclosed in the Company's Management Discussion and Analysis for the year ended December 31, 2015 filed with certain securities commissions in Canada and other information released by the Company and filed with the appropriate regulatory agencies. All of the Company's Canadian public disclosure filings may be accessed via www.sedar.com and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
