VANCOUVER, British Columbia, July 18, 2016 (GLOBE NEWSWIRE) -- MX Gold Corp. (TSX-V:MXL) (FSE:ODV) (OTCQX:DTVMF) (the “Company”) is pleased to announce that Hugh (Bert) McPherson has joined MX Gold Corp.’s Board of Directors. Bert is currently the President and Chief Operating Officer in charge of all operations at the company's Max and Willa mining and milling operation located in the Kootenay region of British Columbia.

Mr. McPherson will arrive at the Max Mine site on August 15, 2016. He stated, “I am eager to get the WillaMax project on its way. I want to be engaged in every aspect of this project and to develop the best mining programs along with a first class production team that will allow MX Gold to become a very successful Canadian mining company.”

“We are very excited and fortunate to have Bert join MX Gold Corp.’s Board of Directors,” said Akash Patel, “His experience developing and operating some of the wolds most prominent mines will be invaluable as the Willa project moves through initial development and production.

After a number of years of service, Neil Morgan will step down as Director. MX Gold Corp. would like to thank Neil for his contributions over the years and helping the company achieve key acquisition milestones.

About MX Gold Corp

MX Gold Corp. is a junior mining company focused on the mining, exploration and development of advanced projects located in the Kootenay region of British Columbia. The Company's primary focus is its high-grade Willa gold and copper project located 12 kilometers south of Silverton, BC. In 2015, MX Gold Corp. completed the accretive acquisition of the Willa project and the Max Molybdenum Mine and Mill Complex. This acquisition removed major costs and shortened timelines typically associated with mine project development with planned ore shipment from Willa to the Max Mill. The Willa mine is located 135 kilometers south of the Max Mill. MX Gold Corp. can also elect to reopen the Max Molybdenum mining operation once world Moly prices improve.
