

Occidental Petroleum Corporation (NYSE:OXY) today announced its second quarter 2016 financial results on its website, www.oxy.com. The announcement and financial schedules can be accessed via the investor relations section of the website. The earnings release is also available on the Securities and Exchange Commission's website at www.sec.gov. The company will hold a conference call at 10 a.m. Eastern today. The conference call may be accessed by calling 1-866-871-6512 (international callers dial 1-412-317-5417) or via webcast at oxy.com/investors.

All remarks made during the conference call will be current at the time of the call and may not be updated to reflect subsequent material developments. A recording of the webcast will be posted on the Investor Relations section of the website within several hours after the call is completed.

About Occidental Petroleum

Occidental Petroleum Corporation is an international oil and gas exploration and production company with operations in the United States, Middle East and Latin America. Headquartered in Houston, Occidental is one of the largest U.S. oil and gas companies, based on equity market capitalization. Occidental's midstream and marketing segment gathers, processes, transports, stores, purchases and markets hydrocarbons and other commodities. The company's wholly owned subsidiary OxyChem manufactures and markets basic chemicals and vinyls.
