

Zhuding International Limited: Announces Corporate Action

04.08.2016 | [vom Unternehmen](#)

Carson City, Aug 04, 2016 - The directors and management of [Zhuding International Limited](#) (PINKSHEETS:VGRID) are pleased to announce that the company has completed a reverse split of 1 for 100 and that the company will have a new ticker symbol ZHUD.

Zhuding International Limited is an innovative building materials manufacturer with primary operations in China. Focused on environmental protection and innovation, Zhuding International uses its own patented technology to create lightweight composite wall panels suitable for use in commercial and residential construction from recycled materials derived from mining, industrial, agricultural, and domestic waste. These panels, which are durable, energy-saving, and insulating, are standardized and modularized to create a system of easy design and assembly, therefore making it easier to build new energy-saving and environmentally friendly buildings. Zhuding International, with its strong management and in-house R&D team, is positioned to continue to excel and remain at the forefront of the building materials industry in China.

FORWARD-LOOKING INFORMATION: Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "will" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Corporation's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to the Corporation. The forward-looking information contained in this release is made as of the date hereof and the Corporation is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein. U.S. GAAP, ASC 450-20 defines a contingency as an "existing condition, situation, or set of circumstances involving uncertainty as to possible gain (gain contingency) or loss (loss contingency) to an entity that will ultimately be resolved when one or more future events occur or fail to occur."
