"Our acquisition of Argentex represents another step in Austral's effort to acquire high quality development and production assets on the road to becoming a preeminent precious metals producer in Latin America," said Stabro Kasaneva, CEO of Austral.

Under the terms of the Arrangement, Argentex shareholders are entitled to receive approximately 0.564676 of an ordinary share of Austral for each Argentex common share held at the Effective Time. At the Effective Time, Argentex became a wholly-owned subsidiary of Austral.
