

TORONTO, ONTARIO--(Marketwired - Aug 29, 2016) - [Osisko Mining Inc.](#) (TSX:OSK) (the "Corporation") announces that it has ceased to be an insider of [Metals Creek Resources Corp.](#) ("Metals Creek"). On August 19, 2016, Metals Creek closed a private placement (the "Private Placement") of 13,700,000 units of Metals Creek (each a "Unit"), with each Unit consisting of one common share of Metals Creek and one common share purchase warrant of Metals Creek. The Corporation did not participate in the Private Placement. However, after giving effect to the number of common shares of Metals Creek issued under the Private Placement, the holdings of the Corporation decreased to less than 10% of the issued and outstanding common shares of Metals Creek on a non-diluted basis.

Immediately prior to the Private Placement, the Corporation had beneficial ownership and control of an aggregate of 3,635,000 common shares of Metals Creek, representing approximately 11.6% of the issued and outstanding common shares of Metals Creek on a non-diluted basis. Immediately after the Private Placement, the Corporation had beneficial ownership and control of an aggregate of 3,635,000 common shares of Metals Creek, representing less than 10% of the issued and outstanding common shares of Metals Creek on a non-diluted basis.

The Corporation reviews its holdings from time to time and may increase or decrease its position as future circumstances may dictate.
