

Electra Stone Ltd. Partners with DPC Luxury Design on Jade Product Line

01.09.2016 | [ACCESS Newswire](#)

VANCOUVER, September 1, 2016 - [Electra Stone Ltd.](#) (TSX Venture: ELT) ("Electra") or ("the Company") is pleased to announce it has entered into an agreement with Mr. Dean Cloutier of DPC Luxury Design ("DPC") to design, manufacture and market a line of modern luxury furniture incorporating BC Nephrite Jade supplied by Electra Stone.

Dean P. Cloutier has been designing and selling custom luxury goods for over a decade using premium materials and craftsmanship for the high-end luxury market. In recent years he has developed a series of luxury furniture products using nephrite jade from British Columbia and established a global interest and a variety of sales channels for the DPC brand. For more information on DPC Luxury Designs please visit www.dpcloutier.com

"We are thrilled to be working with Mr. Cloutier and his talented team in order to develop a "one of a kind" product line that will appeal not only to the Chinese luxury market but to a global market that appreciates this unique, collectible product line with BC nephrite jade," states John Costigan, President of Electra Stone.

"Our brand is very strong in the Chinese market, where we offer both traditional and modern designs that have nephrite jade features. Electra Stone provides us a consistent supply of the jade we require to meet the growing global demands of our product line," states Dean P. Cloutier, Chief Design Artist and President of DPC Luxury Design.

About Electra Stone

Electra Stone Ltd. is building a vertically integrated public Nephrite Jade mining, trading & marketing company. Electra is focused on international market growth and trade of Nephrite Jade from British Columbia into Asian markets with a specific focus on China.
