

TORONTO, ONTARIO--(Marketwired - Sep 1, 2016) - [Tanzanian Royalty Exploration Corp.](#) (TSX:TNX)(NYSE MKT:TRX) (the "Company") is pleased to announce that it has closed the first tranche of a \$5 Million private placement of securities with Crede CG III, Ltd, a wholly-owned subsidiary of Crede Capital Group, LLC, a long-only family office that invests in emerging growth companies. Funds will be used by the Company's to expand its production team necessary to bolster development of the Company's Buckreef gold mine in Tanzania. The financing will allow the Company to retain the highly specialized staff needed to complete the last phase of the Company's Gravity CIL production circuit, which is already in place and funded.

In the initial round of financing, the Company privately placed 1,840,400 shares of its common stock and warrants for US\$1.25 million. In the second round of the financing, the Company is expected to issue a convertible note and warrants for US\$3.75 million.

Mr. James E. Sinclair, CEO of the Company, stated: "This financing provides the Company with the foundation to capitalize on our unique opportunities in the Buckreef region of Tanzania. The funds will be immediately deployed to add skilled local workers and contractors and to acquire the module to complete the Gravity CIL production circuit for our Buckreef mine. With development capital just starting to come back into gold mining, we believe the financing is very well timed."

The common stock issued in the first tranche of the financing, which closed today, was priced at US\$0.6792 per share. The investor also received five-year warrants to purchase 1,840,400 shares of Common Stock with an exercise price of US\$0.8291 per share. The common stock issued in the first tranche of the financing or issued upon exercise of the warrants issued in the first tranche of the financing will be restricted until a valid registration for such common stock becomes effective. In the second tranche of the financing, the Company is expected to issue notes convertible into common stock and warrants for a purchase price of \$US3.75 million. The second tranche is expected to close immediately upon the availability of an effective registration statement covering the common stock acquired by the investor at the first closing or upon conversion of the notes or exercise of warrants of both tranches. The notes will be in the principal amount of US\$3.75 million and carry a coupon of 2.0%. The notes are convertible into common stock at the lower of the (i) the closing bid price on the day prior to the first closing or (ii) the closing bid price on the day prior to the effectiveness of the registration statement, less US\$0.05 in each case. The Company intends to exercise its right to convert the notes immediately after issuance. The warrants issued with the convertible notes will have a term of 5 years and provide for the right to acquire 0.75 shares of common stock for every share that the notes are convertible into with an exercise price equal to 125% of the closing bid price of the common stock on the date prior to the second closing.

Wellington Shields & Co. acted as placement agent in connection with the financing.
