

HOUSTON, Sept. 2, 2016 /PRNewswire/ -- Brent Smolik, chairman, president and chief executive officer of [EP Energy Corp.](#) (NYSE: EPE), is scheduled to present Thursday, September 8, at the Barclays Capital CEO Energy-Power Conference in New York City. The presentation will begin at 8:25 a.m. EDT, 7:25 a.m. CDT.

A live webcast of the presentation, and accompanying slides, will be made available through EP Energy's website at [epenergy.com](#). A replay of the webcast will be available through October 30, 2016.

The EP Energy team has a passion for finding and producing the oil and natural gas that enriches people's lives. As a leading North American oil and natural gas producer, EP Energy has a proven strategy, a significant reserve base, multi-year drilling opportunities, and a strategic presence in a number of the country's leading unconventional resource areas. EP Energy is active in key phases of the E&P value chain—acquiring, developing and producing oil and natural gas. For more information about EP Energy, visit [epenergy.com](#).
