

Mindoro Resources Ltd. Announces Reclassification From Tier 1 Issuer to Tier 2 Issuer

09.09.2016 | [Marketwired](#)

MANILA, Sep 9, 2016 - [Mindoro Resources Ltd.](#) (TSX VENTURE:MIO) (FRANKFURT:WKN 906167) ("Mindoro" or the "Company") announces that it has received notification from the TSX Venture Exchange (the "TSX-V") of the Company's reclassification from a Tier 1 Issuer to a Tier 2 Issuer of the TSX-V. This reclassification took effect on September 2, 2016.

The Company's securities remain suspended from trading on the TSX-V as a result of the Company's failure to pay its 2016 Annual Sustaining Fees. The delay in payment of these fees is due to the pending submission of required documents to the TSX-V pertaining to compliance with TSX-V Policy 3.1, *Directors, Officers, Other Insiders & Personnel and Corporate Governance*. The Company is currently working on said compliance documentation as well as the other requirements to enable the Company's securities to resume trading on the TSX-V.

Despite such suspension, the Company is still compliant with the timely filing of its Financial Statements and other continuous disclosure requirements, including the holding of its Annual & Special Meeting of Shareholders scheduled for September 12, 2016.

About Mindoro

Mindoro is a Tier 2 issuer trading on the TSX Venture Exchange (MIO) and Frankfurt Stock Exchange (WKN 906167). Mindoro has a direct and beneficial 40% interest in the Agata Mining Joint Venture and direct and beneficial 75% interest in the Agata Processing Joint Venture with an option to acquire an additional 25% interest in the Agata Processing Joint Venture. Mindoro also holds 75% interest in the Pan de Azucar Sulphur-Copper-Gold Project, Iloilo City. TVIRD has the option to earn up to 60% interest in the Agata Processing and Pan de Azucar projects by meeting the earn-in requirements outlined in the June 24, 2013 press release, which include producing a definitive feasibility study for a nickel processing facility. As of October 16, 2015, a PMRC compliant DFS was completed by Agata Processing Inc., which would result in TVIRD earning a total of 60% interest in API shares. Mindoro also holds 75% interest and an option to acquire additional 25% interest in the Tapian San Francisco Copper-Gold Project, Mindanao.

Reader Advisory

Certain information set out in this News Release constitutes forward-looking information. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "intent", "could", "might", "should", "believe", "scheduled", "to be", "will be" and similar expressions. Forward-looking statements in this News Release are based upon the opinions and expectations of management of the Company as at the effective date of such statements. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, it can give no assurance that those expectations will prove to have been correct. Forward-looking statements are subject to certain risks and uncertainties (known and unknown) that could cause actual outcomes to differ materially from those anticipated or implied by such forward-looking statements. These factors include, but are not limited to, such things as inherent risks associated with the exploration and development of mining properties, ultimate recoverability of mineral reserves, timing, results and costs of exploration and development activities, availability of financial resources or third-party financing, new laws (domestic or foreign), changes in administrative practices, changes in exploration plans or budgets, and availability of equipment and personnel.

Accordingly, readers should not place undue reliance upon the forward-looking statements contained in this News Release and such forward-looking statements should not be interpreted or regarded as guarantees of

future outcomes. Forward-looking information respecting cash flows anticipated from future production of high-iron/low nickel DSO at the Agata Mining Project, is based upon high-iron/low nickel DSO prices in effect as at the date of this News Release, management's forecasts of trends in prices of high-iron/low nickel DSO, current mining rates of high-iron/low-nickel DSO from the Agata Mining Project, estimates of the size of the high-iron/low nickel DSO reserves at Agata Mining Project, the current development plan for Agata Mining Project, AMVI's current budget and overall strategy for Agata Mining Project, which plans, budget and strategy are all subject to change. Forward-looking information respecting the anticipated timing of future shipments of high-iron/low nickel DSO from the Agata Mining Project, is based upon current mining rates of high-iron/low nickel DSO from the Agata Mining Project, the terms of the third party offtake agreement for the purchase of high-iron/low nickel DSO produced at the Agata Mining Project, estimates of the size of the high-iron/low nickel DSO reserves at the Agata Mining Project, the current development plan for the Agata Mining Project, AMVI's current budget and overall strategy for the Agata Mining Project, which plans, budget and strategy are all subject to change. The forward-looking statements of the Company contained in this News Release are expressly qualified, in their entirety, by this cautionary statement. Various risks to which the Company is exposed in the conduct of its business (including mining activities) are described in detail in the Company's Management's Discussion and Analysis for the year ended December 31, 2015, which was filed on SEDAR on April 29, 2016 and is available under the Company's profile at www.sedar.com. Subject to applicable securities laws, the Company does not undertake any obligation to publicly revise the forward-looking statements included in this News Release to reflect subsequent events or circumstances.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
