

Central Petroleum Limited: September 2016 Investor Roadshow Presentation

20.09.2016 | [ABN Newswire](#)

Brisbane - [Central Petroleum Ltd.](#) (ASX:CTP) (OTCMKTS:CPTLF) is pleased to provide the Company's September 2016 Investor Roadshow Presentation.

Change in NT Government has no impact on Central.

Central Petroleum Ltd. ("Central") is a conventional gas producer and is not affected by the change of government as:

- 54% of our staff are locally employed
- If NGP reaches full capacity with CTP gas then this will rise to 75%.
- 26% of our staff are indigenous.
- 40% of Alice Springs' electricity is generated using CTP gas.
- \$1.5M extra local economic activity annually.
- Over \$3M in Northern Territory and CLC Royalties this financial year.
- Only onshore gas pays royalties to the NT.

"The markets unlocked by Northern Gas Pipeline will generate further employment opportunity at Central for the people of Alice Springs."

Central at a glance.

We have technical expertise over the on-shore basins of Central Australia and a distinct competitive advantage in operating efficiencies within the NT giving us the ability to deliver gas to Australia's east coast by 2018.

Central's Core Objectives:

- Continue to develop technical excellence in Central Australia's oil and gas basins
- Create markets to unlock Central Australia's vast on-shore energy potential
- Making a positive difference in the communities where we operate

Central's Asset Portfolio:

2 major Exploration Joint Ventures:

- Total
 - Santos
- (~\$340M over three phases)

3 Producing Assets: Mereenie, Palm Valley & Dingo Fields.

Over 50% of our exploration acreage is held on a 100% basis - Prime gas exploration potential near infrastructure and the AGP & NGP pipelines.

Over 75% of current revenue under long-term fixed price gas contracts.

Seeking new sales into the Northern Territory and the East Coast gas markets.
