

# Revolver Resources Inc. Engages Pure Focus Capital C.E.O. For Investor Relations

23.09.2016 | [FSCwire](#)

Vancouver - [Revolver Resources Inc.](#) (TSXV: RZ) (the "Company" or "Revolver") is pleased to announce that Matt Noel, C.E.O. of Pure Focus Capital, has been retained for Investor Relations.

Matt has over 10 years of brokerage experience, with the last eight years as an investment advisor for five different investment banks including: BMO Nesbitt Burns, Macquarie Private Wealth, Richardson GMP, Wolverton Securities, and briefly with PI Financial. Matt began focusing on the resource space early in his career and has built up a large network of industry experts while assisting in raising capital for public and private resource companies. Matt graduated with his Economics degree from SFU in 2005, and has completed levels 1 and 2 of the CFA Program.

"We are fortunate at Revolver Resources to be attracting high quality talent such as Matt Noel. Having Matt join our company is another sign that we are firmly on the right track," stated President, C.E.O & Director Dan Stuart.

Pure Focus Capital will be paid \$5000 CAD on a monthly basis. Revolver Resources looks forward to announcing further developments in the near future.

On Behalf of the Board of Directors

*This News Release may contain forward-looking statements including but not limited to comments regarding the acquisition of certain mineral claims. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements and Revolver undertakes no obligation to update such statements, except as required by law.*

*Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the industry and markets in which the Company operates, including that: the current price of and demand for minerals being targeted by the Company will be sustained or will improve; the Company will be able to obtain required exploration licences and other permits; general business and economic conditions will not change in a material adverse manner; financing will be available if and when needed on reasonable terms; the Company will not experience any material accident; and the Company will be able to identify and acquire additional mineral interests on reasonable terms or at all. Forward-looking statements are not guarantees of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including: that resource exploration and development is a speculative business; that environmental laws and regulations may become more onerous; that the Company may not be able to raise additional funds when necessary; fluctuations in currency exchange rates; fluctuating prices of commodities; operating hazards and risks; competition; potential inability to find suitable acquisition opportunities and/or complete the same; and other risks and uncertainties listed in the Company's public filings. These risks, as well as others, could cause actual results and events to vary significantly. Accordingly, readers should not place undue reliance on forward-looking statements and information, which are qualified in their entirety by this cautionary statement. There can be no assurance that forward-looking information, or the material factors or assumptions used to develop such forward looking information, will prove to be accurate. The Company does not undertake any obligations to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law.*

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
