

Vancouver, British Columbia (FSCwire) - King's Bay Gold Corporation (TSXv: KBG) (the Company; or King's Bay;) announces the appointment of Kevin Bottomley as President & Chief Executive Officer (CEO) of the Company.

Kevin has spent the last 12 years with Zimtu Capital Corp. and [Commerce Resources Corp.](#) During that time Kevin has assisted in raising over 75 million dollars and has handled the corporate communications for the companies. Kevin has built and maintained strong business relationships in North America, Europe and Asia.

I look forward to the opportunity to steward King's Bay in a new direction. The overall markets have been challenging to say the least. There are clear signs of optimism now and King's Bay will be well positioned to take advantage of this momentum.

The Company has accepted the resignation of Dusan Berka as President and CEO of the Company. Mr. Berka will remain a director of the Company.

ON BEHALF OF THE BOARD OF DIRECTORS

King's Bay Gold Corporation

Kevin Bottomley

Kevin Bottomley

President & CEO

Tel: (604) 681-1568

This news release includes certain forward-looking statements concerning the future performance of King's Bay Gold Corporation's business, its operations and its financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. The Company does not intend, and does not assume any obligation, to update these forward-looking statements. Forward-looking statements are frequently identified by such words as "may", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. These forward-looking statements represent management's best judgment based on current facts and assumptions that management considers reasonable. The Company makes no representation that reasonable business people in possession of the same information would reach the same conclusions. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, competitive risks and the availability of financing and as described in more detail in the Company's recent securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward looking statements and readers are cautioned against placing undue reliance thereon.

Neither TSX Venture Exchange Inc. nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange Inc.) accepts responsibility for the adequacy or accuracy of this release.
