VANCOUVER, BC--(Marketwired - September 30, 2016) - First Point Minerals Corp. (TSX: FPX) ("First Point" or the "Company") announces that following a voluntary de-listing of its common shares from the Toronto Stock Exchange after the close of trading on Friday, October 14, 2016, the common shares will be listed for trading on the TSX Venture Exchange (TSX-V), effective at the opening of the market on Monday, October 17th. There will be no interruption in trading of the Company's common shares and the Company's trading symbol will continue to be "FPX".

The decision to move to the TSX-V was made in order to reduce annual administrative costs.

About First Point

First Point Minerals Corp. is focused on the exploration and development of the Decar Nickel-Iron Alloy Project, located in central British Columbia, and other occurrences of the same unique style of naturally occurring nickel-iron alloy mineralization known as awaruite.
