TORONTO, Oct 7, 2016 - [Northquest Ltd.](#) (TSX VENTURE:NQ) (FRANKFURT:N3Q) (the "Company") is pleased to announce that the Ontario Superior Court of Justice has granted its final order approving the previously announced statutory plan of arrangement (the "Arrangement") under the *Business Corporations Act* (Ontario), whereby [Nord Gold SE](#) ("Nordgold") will acquire all of the outstanding common shares of the Company (the "Shares") that it did not already own. At a special meeting held on September 28, 2016, the Arrangement was approved by the shareholders of the Company. It is expected that the Arrangement will be completed in the coming days.

In April 2016, Nordgold commenced its offer to acquire all of the outstanding common shares of Northquest that it does not own, which expired on 29 June 2016. Nordgold currently owns 108,789,852 Northquest common shares, representing approximately 97.57% of the issued and outstanding Northquest shares.

Under the terms of the Arrangement, each holder of the Shares will receive \$0.26 in cash per Share, and all of the outstanding warrants to purchase Shares (the "Warrants") will be transferred to the Company for \$0.10 in cash per Warrant.

To receive consideration under the Arrangement, each holder of the Shares must properly complete the letter of transmittal (the "Letter of Transmittal") which accompanied the management information circular dated August 30, 2016 (the "Circular") and deposit it with Computershare Investors Services Inc. in accordance with the terms and provisions set out in the Circular. Complete instructions for such deposit are set out in the Circular and the Letter of Transmittal. The Circular and a copy of the Letter of Transmittal are available under the Company's SEDAR profile at www.sedar.com.

Holders of the Warrants are not required to complete and return the Letter of Transmittal to receive the consideration payable under the Arrangement for their Warrants, which consideration will be paid automatically.

In connection with the Arrangement, the Company will apply to delist the Shares from the TSX Venture Exchange and the Frankfurt Stock Exchange as soon as possible, and to cease to be a reporting issuer in the relevant Canadian jurisdictions following the completion of the Arrangement.
