

Vancouver, British Columbia (FSCwire) - [Astorius Resources Ltd.](#) (TSX-V: ASQ Frankfurt: 47AF) (“Astorius” or the “Company”) is pleased to announce that Clinton Smyth, P. Geo has joined the Astorius team as Technical Advisor.

Mr. Smyth, former VP of Exploration for Anglo American, brings 40 years of experience to Astorius, including international experience in exploration, resource evaluation and mining. While working with Anglo American from 1975 to 2000, Mr. Smyth led the teams which discovered the Buzwagi gold deposit in Tanzania and the Boyongan Cu/Au porphyry deposit in the Philippines.

"I am pleased to be joining the Astorius team and to be advising them on their growing project portfolio," said Smyth. "It's an aggressive and pro-active group, and I'm confident in their ability to develop their projects successfully."

Mr. Smyth holds an MSc in Geochemistry (University of Cape Town) and a MSc. in Computer Science (Imperial College, London). His experience includes projects in Africa, Asia, Australia, Mexico, Canada and Turkey. He led the group responsible for resource evaluation in Anglo American's News Mining Business Division, managing various deposits including Navachab and Sadiola (gold), Skorpion (zinc), Uitkomst (nickel), and Namaqua Sands (mineral sands). He subsequently served as VP Exploration for Dome Ventures Corporation, Miocene Metals Ltd and [Pasinex Resources Ltd.](#) as well as working as an independent geological consultant.

Sandy MacDougall Chairman of the Board said: “we are pleased to have Clinton joining our advisory team and the prospects for the development of our strategy of near term production of high value minerals.”

About [Astorius Resources Ltd.](#)

Astorius (TSX.V:ASQ) is a junior exploration and near term production company focused on high value minerals deposits in North and South America.

ON BEHALF OF THE BOARD OF DIRECTORS

/s/ “Arthur Brown”

President & Director

This news release contains projections and forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of the Company. The following are important factors that could cause the Company's actual results to differ materially from those expressed or implied by such forward looking statements; the uncertainty of future profitability; and the uncertainty of access to additional capital. These risks and uncertainties could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information. Actual results and future events could differ materially from anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and expressed qualified in their entirety by this notice. The Company assumes no obligation to update forward-looking information should circumstance or management's estimates or opinions change.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
