

Cardiff Energy Corp Re-files Second Quarter Management Discussion and Analysis

13.10.2016 | [The Newswire](#)

Vancouver, October 13, 2016 - [Cardiff Energy Corp.](#) (the "Company") (TSX-V: "CRS", Frankfurt: "C2Z.F", US Pinksheets: "CRRDF") has amended and is re-filing its second quarter management discussion and analysis ("MD&A") originally filed on August 29, 2016 due to a review by the British Columbia Securities Commission.

The Company was required to re-file its MD&A as its forward looking statement was insufficient, it didn't adequately explain the results of operations for six month period ended June 30, 2016, the Company didn't adequately explain what factors caused variations in its business during the last eight quarters, the Company didn't outline how the funds raised in their March 15, 2016 Private Placement were spent and finally the Company provided contradictory and misleading information in the section of their MD&A titled Changes In Internal Control Over Financial Reporting which they have now removed from their MD&A.

Jack Bal,

President and Chief Executive Officer

Neither TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release contains forward-looking statements relating to the future operations of the Company. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding future plans and objectives of the Company, are

forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are exploration risks detailed from time to time in the filings made by the Company with securities regulations.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. As a result, we cannot guarantee that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release, and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities laws.
