

DENVER, Oct. 26, 2016 /CNW/ -- [Vista Gold Corp.](#) (the "Company," "we" or "our") (NYSE MKT: VGZ) (TSX: VGZ) today announced its unaudited financial results for the third quarter ended September 30, 2016. Management's quarterly conference call to discuss these results is scheduled for 2:30 p.m. MDT on October 27, 2016. The Company's unaudited financial statements, Management's Discussion and Analysis together with other important disclosures can be found in the Company's Quarterly Report on Form 10-Q, filed on October 26, 2016 with the U.S. Securities and Exchange Commission and the Canadian securities regulatory authorities.

Summary of Third Quarter 2016 Financial Results

We reported a net loss of \$2.1 million or \$0.02 per share for the three months ended September 30, 2016. This includes operating expenses of \$1.9 million, and an unrealized \$0.2 million mark-to-market loss on our investment in [Midas Gold Corp.](#) ("Midas"). During the three months ended September 30, 2015, we reported net income of \$0.5 million or \$0.01 per share. This included a \$4.3 million payment received from the Australian Government under a research and development incentive program, offset by \$3.2 million of operating and other expenses, and an unrealized \$0.6 million mark-to-market loss on our investment in Midas.

Our working capital at September 30, 2016 totaled approximately \$30.1 million, including cash and short-term investments (comprised of government securities) of approximately \$24.8 million. The Company has no debt.

Vista's President and CEO, Frederick H. Earnest, commented, "We believe our significantly improved balance sheet gives us the resources to fund all of the project milestones necessary to advance the Mt Todd gold project to a development decision. With our metallurgical optimization programs nearing completion, we are preparing to undertake an update of our May 2013 Preliminary Feasibility Study. We intend to provide more details in a comprehensive update in the near future."

All dollar amounts in the press release are U.S. dollars.

About Vista Gold Corp.

The Company is a well-funded gold project developer. Our principal asset is our flagship Mt Todd gold project in Northern Territory, Australia where we are concluding test work to optimize the process flowsheet, seeking approval of our final environmental authorization and commencing an update of our preliminary feasibility study. We also hold approximately 4.4% of the outstanding common shares of Midas, non-core projects in Mexico and the United States and royalty interests in Indonesia. For more information about our projects, including technical studies and resource estimates, please visit our website at www.vistagold.com.

For further information, please contact Connie Martinez at (720) 981-1185.

Forward Looking Statements

This press release contains forward-looking statements within the meaning of the U.S. Securities Act of 1933, as amended, and U.S. Securities Exchange Act of 1934, as amended, and forward-looking information within the meaning of Canadian securities laws. All statements, other than statements of historical facts, included in this press release that address activities, events or developments that we expect or anticipate will or may occur in the future, including such things as our belief that we have the resources to achieve all of the project milestones necessary to advance Mt Todd to a development decision; our plans to update our May 2013 Preliminary Feasibility Study; our intent to provide a comprehensive update in the near future are forward-looking statements and forward-looking information; and other such matters are forward-looking statements and forward-looking information. The material factors and assumptions used to develop the forward-looking statements and forward-looking information contained in this press release include the following: our approved business plans, exploration and assay results, mineral resource and reserve estimates and results of preliminary economic assessments, pre-feasibility studies and feasibility studies on our projects, if any, our experience with regulators, and positive changes to current economic conditions and the price of gold. When used in this press release, the words "optimistic," "potential," "indicate," "expect," "intend," "hopes," "believe," "may," "will," "if," "anticipate," and similar expressions are intended to identify forward-looking statements and forward-looking information. These statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such statements. Such factors include, among others, uncertainty of resource and reserve estimates, uncertainty as to the Company's future operating costs and ability to raise capital; risks relating to cost increases for capital and operating costs; risks of shortages and fluctuating costs of equipment or supplies; risks relating to fluctuations in the price of gold; the inherently hazardous nature of mining-related activities; potential effects on our operations of environmental regulations in the countries in which it operates; risks due to legal proceedings; risks relating to political and economic instability in certain countries in which it operates; as well as those factors discussed under the headings "Note Regarding Forward-Looking Statements" and "Risk Factors" in the Company's latest Annual Report on Form 10-K as filed on February 26, 2016 and other documents filed with the U.S. Securities and Exchange Commission and Canadian securities regulatory authorities. Although we have attempted to identify important factors that could cause actual results to differ materially from those described in forward-looking statements and forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. Except as required by law, we assume no obligation to publicly update any forward-looking statements or forward-looking information; whether as a result of new information, future events or otherwise.
