#### ABOUT SILVERCREST METALS INC.

SilverCrest is a Canadian precious metals exploration company headquartered in Vancouver, BC, that is focused on new discoveries, value-added acquisitions and targeting production in Mexico's historic precious metal districts. The Company is led by a proven management team in all aspects of the precious metal mining sector, including the pioneering of a responsible "phased approach" business model taking projects through discovery, finance, on time and on budget construction, and production with subsequent increased value to shareholders.
