MONTREAL, QUEBEC--(Marketwired - Nov 7, 2016) - Sunset Cove Mining Inc. (the "Company") (TSX VENTURE:SSM) has been informed that the TSX Venture Exchange has determined that their Compliance & Disclosure Department will not be taking any further action at this time regarding the issues outlined in the Company's news release dated October 2, 2016.

The Company continues to work towards receiving approval from the TSX Venture Exchange for the proposed acquisition of the Houlton Woodstock Manganese Property located in Carleton County, New Brunswick. The Company is in the process of completing a NI 43-101 technical report on the Houlton Woodstock Manganese Property.

Sunset Cove's mission is to acquire and advance high potential mining prospects located in North America with the intent of supplying value added materials to the lithium ion battery and other alternative energy industries. For more information visit the website at www.sunsetcovemining.com.

Forward-Looking Statement: Some statements in this news release contain forward-looking information that involves inherent risk and uncertainty affecting the business of Sunset Cove Mining. Actual results may differ materially from those currently anticipated in such statements. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
