TORONTO, ONTARIO--(Marketwired - Nov. 21, 2016) -

NOT FOR DISTRIBUTION TO U.S. NEWS SERVICES OR DISSEMINATION IN THE UNITED STATES

[Teranga Gold Corp.](#) ("Teranga" or the "Company") (TSX:TGZ)(ASX:TGZ) announced today that it has completed the previously announced offering of 32,500,000 common shares ("Common Shares") of the Company on a bought deal basis at a price of \$1.05 per Common Share through a syndicate of underwriters co-led by RBC Capital Markets and Cormark Securities Inc. and including BMO Capital Markets for gross proceeds of approximately \$34.1 million (the "Public Offering"). At the closing of the Public Offering, the Underwriters also partially exercised their over-allotment option and purchased an additional 2,155,000 Common Shares from Teranga at the same price of \$1.05 per Common Share for additional gross proceeds of approximately \$2.3 million.

As previously announced, an additional 29,500,000 Common Shares were also issued on a non-brokered private placement basis at the same price of \$1.05 per Common Share to Tablo Corporation for gross proceeds of approximately \$31 million (the "Concurrent Private Placement"). Following completion of the Concurrent Private Placement, Tablo Corporation, controlled by David Mimran, holds a total of 97,981,960 Common Shares, or 18.26%, of the issued and outstanding Common Shares (calculated on a non-diluted basis and not including the exercise of the balance of the over-allotment option).

The securities offered have not been, and will not be, registered under the U.S. Securities Act or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account or benefit of, United States persons absent registration or any applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. This press release does not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor in any other jurisdiction.

Cautionary Note Regarding Forward-Looking Statements

This press release contains certain statements that constitute forward-looking information within the meaning of applicable securities laws ("forward-looking statements"), which reflects management's expectations regarding Teranga's future growth, results of operations (including, without limitation, future production and capital expenditures), performance (both operational and financial) and business prospects (including the timing and development of new deposits and the success of exploration activities) and opportunities. Wherever possible, words such as "plans", "expects", "does not expect", "budget", "scheduled", "trends", "indications", "potential", "estimates", "predicts", "forecasts", "anticipate" or "does not anticipate", "believe", "intend", "ability to" and similar expressions or statements that certain actions, events or results "may", "could", "would", "might", "will", or are "likely" to be taken, occur or be achieved, have been used to identify such forward looking information. Forward-looking statements include, without limitation, all disclosure regarding possible events, conditions or results of operations, future economic conditions and anticipated courses of action. Although the forward-looking statements contained in this press release reflect management's current beliefs based upon information currently available to management and based upon what management believes to be reasonable assumptions, Teranga cannot be certain that actual results will be consistent with such forward looking statements. Such forward-looking statements are based upon assumptions, opinions and analysis made by management in light of its experience, current conditions and its expectations of future developments that management believe to be reasonable and relevant but that may prove to be incorrect. These assumptions include, among other things, the ability to obtain any requisite governmental approvals, the accuracy of mineral reserve and mineral resource estimates, gold price, exchange rates, fuel and energy costs, future economic conditions, anticipated future estimates of free cash flow, and courses of action. Teranga cautions you not to place undue reliance upon any such forward-looking statements.

The risks and uncertainties that may affect forward-looking statements include, among others: the inherent risks involved in exploration and development of mineral properties, including government approvals and permitting, changes in economic conditions, changes in the worldwide price of gold and other key inputs, changes in mine plans and other factors, such as project execution delays, many of which are beyond the control of Teranga, as well as other risks and uncertainties which are more fully described in Teranga's Amended and Restated Annual Information Form dated November 15, 2016, and in other filings of Teranga with securities and regulatory authorities which are available at www.sedar.com. Teranga does not undertake any obligation to update forward-looking statements should assumptions related to these plans, estimates, projections, beliefs and opinions change. Nothing in this report should be construed as either an offer to sell or a solicitation to buy or sell Teranga securities. All references to Teranga include its subsidiaries unless the context requires otherwise.

About Teranga Gold

Teranga is a multi-jurisdictional West African gold company focused on production and development as well as the exploration of more than 5,000km² of land located on prospective gold belts.

Since its initial public offering in 2010, Teranga has produced more than 1.2 million ounces of gold from its operations in

Senegal where it is uniquely positioned with the only commercial gold mill in country. Concurrent with its production and development activities, exploration programs are underway to increase its reserve base through resource conversion and making major new discoveries. Teranga has a strong balance sheet and the financial flexibility to continue to grow its business.

Steadfast in its commitment to set the benchmark for responsible mining, Teranga operates in accordance with the highest international standards and aims to act as a catalyst for sustainable economic, environmental, and community development as it strives to create value for all of its stakeholders.
