

Castle Peak Announces Results of Annual General and Special Meeting of Shareholders

23.11.2016 | [Newsfile](#)

Vancouver, November 22, 2016 - [Castle Peak Mining Ltd.](#) (TSXV: CAP) ("Castle Peak" or the "Company") is pleased to announce the results of its Annual General and Special Meeting of shareholders (the "Meeting"), and provides a general corporate and exploration update.

Results of the Meeting

At the Meeting held on November 16, 2016, the shareholders of the Corporation elected the five directors nominated by management in the Corporation's Management Information Circular dated October 14, 2016. The ordinary resolutions to re-appoint the auditor, Davidson & Company, and to ratify and approve the amended stock option plan were both approved.

Corporate and Exploration Update

The Company continues to discuss partnership opportunities with respect to certain concessions and the high grade Apankrah Deposit, and review additional opportunities as they are presented. The Company's objective is to be active on the ground during the upcoming dry season.

Technical Disclosure

Castle Peak's technical disclosure in this news release has been reviewed and approved by Darren Lindsay, P.Geo., Castle Peak's President and CEO, who serves as a Qualified Person under the definition in National Instrument 43-101 ('NI 43-101').

About Castle Peak

[Castle Peak Mining Ltd.](#) is a Canadian-based exploration company focused on advancing early stage gold projects. The Company holds a strategic land package in the Ashanti belt adjacent to several producing gold mines in Ghana, West Africa. The Ashanti belt is known as one of the most prolific gold belts in the world, putting Ghana as the second largest gold producer in Africa with past production of >150 million ounces. FORWARD-LOOKING STATEMENTS

Except for statements of historical fact, this news release contains certain 'forward-looking information' and 'forward-looking statements' within the meaning of applicable securities laws including statements regarding the proposed consolidation and exploration results, anticipated gold recoveries and future exploration and development at the Akorade Project. Such forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to known and unknown risks, uncertainties and assumptions that could cause actual results to vary materially from the anticipated results or events predicted in these forward-looking statements, including the ability of the Company to enter into strategic relationships and obtain regulatory approval; the outcome of due diligence investigations in connection with any strategic partnership; and those risk factors identified in the Company's Annual MD&A filed under the Company's SEDAR profile. As a result, readers are cautioned not to place undue reliance on

these forward-looking statements. The forward-looking statements contained in this news release are made as of the date of this release. Except as required by applicable law, Castle Peak disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
