

Aura Silver Resources Inc: Announces Non-Brokered Private Placement

29.11.2016 | [Marketwired](#)

OTTAWA, Nov 29, 2016 - [Aura Silver Resources Inc.](#) (TSX VENTURE:AUU) ("Aura Silver" or the "Company") announces that it is undertaking a non-brokered private placement offering to raise gross proceeds of up to \$500,000. The Company has applied for, and received, conditional approval from the TSX Venture Exchange for a waiver from the five-cent minimum price requirement. Under the terms of the proposed offering, Aura Silver would issue a minimum of 4,285,714 units for gross proceeds of \$150,000 and a maximum of 14,285,714 units for gross proceeds of \$500,000. The units would be issued at \$0.035 (3.5 cents) per unit (the "Offering").

Each unit consists of one common share of the Company and one common share purchase warrant. Each warrant entitles the holder to purchase one common share of the Company at a price of \$0.05 per share for a period of 36 months following the date of issuance. Any securities issued under the Offering would be subject to a statutory hold period of four months and one day from the date of issuance.

The Offering will be conducted by the Company utilizing the Existing Security Holder Prospectus Exemption under OSC Rule 45-501 *Ontario Prospectus and Registration Exemptions* and other provincial equivalents, except the Province of Newfoundland and Labrador, under Multilateral CSA Notice 45-313 *Prospectus Exemption for Distributions to Existing Security Holders* (collectively, the "Existing Security Holder Exemptions") as well as the "accredited investor" exemption under National Instrument 45-106 *Prospectus and Registration Exemptions* and also other exemptions available to the Company.

The Company will make the Offering available to all shareholders of the Company as of November 28, 2016 (the "Record Date") who are eligible to participate under the Existing Security Holder Exemptions and who have notified the Company by no later than January 10, 2017 at 5:00 pm (Eastern) of their intention to participate in the Offering. The Existing Security Holder Exemptions limit a shareholder to a maximum investment of \$15,000 unless the shareholder certifies in the subscription agreement that he or she has obtained advice regarding the suitability of the investment from a registered investment dealer or otherwise qualifies to rely on another private placement exemption.

In the subscription agreement, shareholders will be required to certify the number of common shares of the Company held as of the record date and the total number of units they wish to subscribe for at the specified price of \$0.035 per unit. Each existing shareholder on the record date will be entitled to purchase that number of units equal to at least their pro rata share based on the common shares owned on the record date, subject to a \$3,500 minimum subscription. Any additional available units will be allocated by the Company based on subscriptions received and units available. Orders will be processed by the Company on a first come, first served basis such that it is possible that a subscription received from a shareholder may not be accepted by the Company if the Offering is over subscribed. Any person who becomes a shareholder of the Company after the Record Date shall not be entitled to participate in the Offering under the Existing Security Holders Exemptions.

The aggregate proceeds raised under the Offering will be used for working capital purposes and for concession fee costs related to the Company's Taviche, Mexico property. No more than 25 percent of the proceeds from the Offering would be paid by way of fees or salary to Company management. No other payments would be made to related parties from the proceeds of the Offering.

Aura Silver may pay commissions to finders in connection with the Offering. Any finder fees paid would be in accordance with TSX Venture Exchange policies.

The offered securities will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons, except in certain transactions exempt from the registration requirements of the U.S.

Securities Act. This press release does not constitute an offer to sell, or the solicitation of an offer to buy, securities of the Company in the United States.

This Offering is subject to final acceptance of the TSX Venture Exchange.
