Kombat Copper

Kombat Copper is a publicly traded Canadian exploration and development company with its core operations focused on copper resources in Namibia, one of the world's most prospective copper regions, where it has substantial assets in place with significant upside. The Company continues to hold an 80% interest in five mining licenses in the Otavi Mountain lands, an area of Namibia particularly known for its high-grade copper deposits. Within these licenses are three past producing mines including the Company's flagship property, the Kombat Mine.
