

Nevada Clean Magnesium Inc.: Company Enters Into US Corporate Services Agreement

04.01.2017 | [The Newswire](#)

VANCOUVER, January 04, 2017 - [Nevada Clean Magnesium Inc.](#) (TSXV: NVM; Frankfurt-M1V; OTC Pink Sheets: MLYFF) (the "Company") announced that it has entered into a service agreement in exchange for common shares with Lodestar Management Group, LLC. ("LODESTAR"), a US corporate logistics company.

LODESTAR will provide advisory, consulting, negotiation and other management services relating to corporate management, administrative and/or operational activities of Nevada Moray Inc. ("NMI"), (a 100% owned US subsidiary of Nevada Clean Magnesium Inc.), managerial oversight, strategic planning, financial and compulsory oversight and compliance including, advisory and consulting services in relation to the selection, retention and supervision of independent contractors, required to implement and execute the intentions and objectives and to forward the pace and progression of the business affairs of NMI.

The term of the contract is for one year retroactively commencing November 1, 2016. NMI has agreed to compensate LODESTAR in the amount of \$2,500 CDN per month by arrangement of the issuance of shares. The number of shares issued will be based on the share price on the day of issuance that is not lower than the \$0.05 per share minimum requirement, and will not exceed \$2,500 CDN in value. The shares will be issued on the last working day of each month for a period of twelve (12) months.

The contract is subject to final approval from the TSX-Venture Exchange.

About Nevada Clean Magnesium, Inc.

Nevada Clean Magnesium is focused on becoming a major U.S. producer and distributor of primary, high grade, low cost magnesium metal extracted from its 100% owned Tami-Mosi property located in North Central Nevada. Based on the Company's NI 43-101 Preliminary Economic Assessment Report published in September 2011 and amended in July 2014, the Tami-Mosi Project has an inferred resource of 412 million tonnes with an average grade of 12.3% Mg for a contained metal content of 111 billion pounds of magnesium using a 12% cut-off grade contained within a high purity dolomite block. The technical portion of this press release was prepared under the supervision and review of James Sever, P. Eng., and COO for Nevada Clean Magnesium. Mr. Sever is a non-independent qualified person within the meaning of National Instrument 43-101 standards.

Forward-Looking Statement

Statements in this news release that are not historical facts are forward-looking statements that are subject to risks and uncertainties. Forward-looking statements in this news release include that we will conduct and close a private placement and that we can become a major U.S. producer and distributor of primary, high grade, low cost magnesium metal. Actual results may differ materially from those currently anticipated due to a number of factors, including the Company's dolomite reserves may not be mined because of technical, regulatory, financing or other obstacles, the market price for magnesium may make our resources uneconomic, we may not be able hire and retain skilled employees, and other risks associated with being a mineral exploration and development company. We may not be able to close with interested investors on our intended private placement because of perceived risks or market conditions. The Company undertakes no obligation to update forward-looking information except as required by law. The reader is cautioned not to place undue reliance on forward-looking statements. These forward-looking statements are made as of the date of this news release.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the

TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
