About Nortec Minerals Corp.

Nortec is a mineral exploration and development company based in Vancouver, British Columbia. The Company has a 100% interest in the Tammela Gold & Lithium Project in South-West Finland. Avalon Minerals of Australia has a 51% Stage 1 earn in and an 80% Stage 2 earn-in joint venture on the Tammela Project. Avalon has completed more than 3,000 meters diamond drilling on the Kietyonmaki lithium prospect and the Satulinmaki and Riukka prospects that comprise the Tammela Project. The results were announced in the Company's press releases dated 15th September, 23rd September and 22nd November, 2016. The results can also be referred to in Avalon Minerals website: <http://avalonminerals.com.au/>. The positive results from Avalon's drilling, together with the historical drilling results of the Finnish Geological Survey, exhibit a large gold system. Avalon's drilling also confirmed the presence significant Lithium mineralization with values as high as 24m at 1.44% Li₂O.

The Company recently signed a Letter of Intent with The Golden Rule Limited to acquire 80% of its major gold properties in Guinea, West Africa. Information on the planned exploration programs and all Company projects have been posted on the Company's website www.nortecminerals.com.

On behalf of the Board of Directors, Nortec Minerals Corp.
