

HOUSTON, Feb. 9, 2017 /PRNewswire/ -- Brent Smolik, chairman, president and chief executive officer of [EP Energy Corp.](#) (NYSE: EPE), will present Tuesday, February 14, at the Credit Suisse 22nd Annual Energy Summit in Vail, Colorado. The presentation will begin at 10:55 a.m. MST, 11:55 a.m. CST with an audio webcast available on the Investor Center page of EP Energy's website at epenergy.com.

Presentation slides will be available prior to the presentation on the Investor Center page of the company's website.

The EP Energy team has a passion for finding and producing the oil and natural gas that enriches people's lives. As a leading North American oil and natural gas producer, EP Energy has a proven strategy, a significant reserve base, multi-year drilling opportunities, and a strategic presence in a number of the country's leading unconventional resource areas. EP Energy is active in key phases of the E&P value chain—acquiring, developing and producing oil and natural gas. For more information about EP Energy, visit epenergy.com.
