

Vancouver, British Columbia (FSCwire) - [Canadian Zeolite Corp.](#) (the "Company") (TSX.V:CNZ) (OTCQB:CNZCF) (FSE:ZEON) is pleased to announce that Orange Hill Farms (the "Farm") has implemented the Company's Bromley Creek natural zeolite into their farming operations for testing. The Farm is using zeolite as an additive in its animal feed, as a deodorizer in farm bedding, as air quality control and as a sanitizing drying agent. The farm is a 1200 Sow herd that produces 10,000 market hogs and 20,000 weaner pigs annually.

Orange Hill Farms is a member of the Conestoga Meat Packers Association who are committed to providing high quality, responsibly raised product through local farms. As a commitment to providing high quality product, the Farm is excited to implement Canadian Zeolite's natural zeolite into its various operations. For more information on the Association, please visit the website at www.conestogameats.com.

Ray Paquette, CEO states, "it's rewarding to supply a high-quality farm such as Orange Hill which displays a commitment to providing premium products for their consumers. We look forward to developing a long-term business relationship and providing our natural zeolite to benefit their farming operations."
