#### First Quarterly Dividend

The first quarterly cash dividend of US\$0.07 will be paid to holders of record of Silver Wheaton common shares as of the close of business on April 5, 2017, and will be distributed on or about April 21, 2017.

Under the Company's dividend policy, the quarterly dividend per common share will be equal to 20% of the average cash generated by operating activities in the previous four quarters divided by the Company's then outstanding common shares, all rounded to the nearest cent.

#### Dividend Reinvestment Plan

The Company has previously implemented a Dividend Reinvestment Plan ("DRIP"). Participation in the DRIP is optional. For the purposes of this first quarterly dividend, the Company has elected to issue common shares under the DRIP through treasury at a 3% discount to the Average Market Price, as defined in the DRIP. However, the Company may, from time to time, in its discretion, change or eliminate the discount applicable to Treasury Acquisitions, as defined in the DRIP, or direct that such common shares be purchased in Market Acquisitions, as defined in the DRIP, at the prevailing market price, any of which would be publicly announced.

The DRIP and enrollment forms are available for download on the Company's website at [www.silverwheaton.com](http://www.silverwheaton.com), accessible by quick links directly from the home page, and can also be found in the 'investors' section, under the 'dividends' tab.
