About The Documentary Channel

"Documentary is a digital television station devoted to showing the best documentaries from Canada and around the world. With its special emphasis on feature length films, watching Documentary is like having a cinema in your own living room, showing award winning films twenty-four hours a day, seven days a week."

About Copper Mountain Mining Corporation:

Copper Mountain's flagship asset is the Copper Mountain mine located in southern British Columbia near the town of Princeton. The Company has a strategic alliance with Mitsubishi Materials Corporation who owns 25% of the mine. The Copper Mountain mine has a large resource of copper that remains open laterally and at depth. This significant exploration potential will be explored over the next few years in order to fully appreciate the property's full development potential. Additional information is available on the Company's web page at www.CuMtn.com.
