

VANCOUVER, British Columbia, March 23, 2017 (GLOBE NEWSWIRE) -- [Canada Carbon Inc.](#) (the "Company") (TSX-V:CCB), (FF:U7N1) is pleased to report that the Municipal Council of Grenville-sur-la-Rouge ("GSLR"), Québec has completed a thorough review of their role in the CPTAQ process with respect to Canada Carbon's plans to develop its flagship 100% owned Miller Graphite and Marble Project located 80 kilometres ("km") west of Montréal. GSLR Council also held two public meetings to consult local citizens, and to discuss the regulatory and technical aspects of the development proposal. Municipal Council unanimously resolved on March 14<sup>th</sup>, 2017 to support Canada Carbon's application submitted to the Commission de Protection du Territoire Agricole du Québec ("CPTAQ") to designate the Project site as land approved for non-agricultural uses.

Canada Carbon has established a dedicated page on its website to host final environmental and other assessment reports, which will be updated as new information becomes available. The Miller Project Reports page can be accessed from the website home page, or by opening this link: <https://www.canadacarbon.com/miller-project-reports>. The Company will provide periodic updates via newspaper ads and flyers delivered to GSLR residents, and will hold further public meetings from time to time as the results of the Project feasibility study are made public and the quarry and mine permit applications are considered.
