

Toronto, Ontario (FSCwire) - As [Stans Energy Corp.](#) (TSX-V: HRE, OTC: HREEF), ("Stans" or the "Company") reported on March 16, 2017, the Kyrgyz Republic (the "Republic") has applied to the High Court of Justice, Queen's Bench Division of the Commercial Court, London, England (the "Court") to set aside the jurisdictional ruling of the Tribunal in favour of Stans.

A date for hearings before the Court has been set for July 24 & 25, 2017. A decision is expected by Q4 2017.

We firmly believe that the result of this hearing will end attempts by the Republic to set aside the positive jurisdictional ruling by the Tribunal and frustrate arbitration proceedings. We are comfortable that the Tribunal's Award is valid and will withstand the challenge before the English courts. We look forward to moving beyond this challenge toward the April 2018 hearings on the merits of our US\$210 million arbitration claim," states Mr. Rodney Irwin, CEO and President.

About Stans Energy

[Stans Energy Corp.](#) is a resource development company focused on advancing rare and specialty metals properties and processing technologies. Stans is now transitioning into a supplier of materials and technologies that will assist in satisfying the future energy supply, storage and transmission needs of the world. Previously, the Company acquired, among other things, the right to mine the past producing rare earth mine, Kutessay II, in the Kyrgyz Republic. Due to the expropriation actions taken by the Government of the Kyrgyz Republic, the Company is undertaking international arbitration litigation to protect the Company's rights and recover damages estimated at over US\$210,000,000, caused by the Republic.

We seek safe harbour.
