

VANCOUVER, BC / ACCESSWIRE / April 4, 2017 / [Forum Uranium Corp.](#) (TSXV: FDC) ("Forum") is pleased to announce the appointment of Craig Christy as Vice-President of Corporate Development.

Mr. Christy is CEO and a Managing Partner with Christy & Associates Planning Consultants Ltd., a planning and corporate consulting firm based in the Okanagan Valley, BC. Craig focuses on strategic planning, corporate development and investor relations. With over 15 years executive corporate consulting experience, Craig has advised a number of emerging resource companies. Previously, he served as Corporate Secretary, Corporate Development and Investor Relations Consultant to [Strathmore Minerals Corp.](#) (2002-2013), acquired by Energy Fuels Corp. in August 2013, and was a consultant to Strathmore's spin-out company, [Fission Energy Corp.](#) Prior to 2002, Mr. Christy had a 15 year career as an investment advisor with a number of Canadian investment firms and was a Director of the former Contrarian Resource Fund Limited Partnership. Mr. Christy holds an Honours Bachelor of Environmental Studies degree from the University of Waterloo (1977) and an MA from the University of Alberta (1986).

The Board of Directors welcomes Mr. Christy to Forum's management team at a time when expanded uranium exploration and development will be required to support the sustainable growth of nuclear energy in the emerging economies of the world.

ON BEHALF OF THE BOARD OF DIRECTORS

Richard J. Mazur, P.Geo.
President & CEO
