

Stonegate Agricom Announces Lifting of TSX Review of Continued Listing

20.04.2017 | [CNW](#)

[Stonegate Agricom Ltd.](#) ("Stonegate" or the "Company") (TSX: ST) is pleased to announce that the Toronto Stock Exchange ("TSX") has advised the Company that the TSX has completed its previously announced continued listing review of the Company's common shares. The Company's common shares will continue to be listed for trading on the TSX.

About Stonegate Agricom Ltd.

Stonegate Agricom, which is engaged in acquiring and developing agricultural nutrient projects, is currently focused on the development of the Paris Hills Phosphate Project located in Idaho. The Company believes that the deposit has sufficient size and grade to become a strategic, cost-effective source of phosphate supply for major fertilizer producers. More information is available at www.stonegateagricom.com.

Cautionary Note Regarding Forward-Looking Statements: This news release contains "forward-looking statements" and "forward-looking information" within the meaning of applicable law, including the forward looking information relating to the intended use by the Company of the net proceeds from the Private Placement. Generally, forward-looking statements and forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". All forward-looking statements and forward-looking information are based on reasonable assumptions that have been made by the Company as at the date of such information. Forward-looking statements and forward-looking information are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements and forward-looking information, including but not limited to: risk that the private placement may not close, risks relating to having a significant shareholder, uncertainty of additional capital and the Company's ability to continue as a going concern, dilution to the Common Shares, currency fluctuations, uncertainty regarding the timing of receipt of required permits, as well as those factors discussed in the section entitled "Risk Factors" in the Company's most recently filed annual information form available at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements and forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements or information. Accordingly, readers should not place undue reliance on forward-looking statements or forward-looking information. The forward-looking statements and forward-looking information contained in this news release are included for the purpose of providing investors with information to assist them in understanding the Company's expected financial and operational performance and may not be appropriate for other purposes. Stonegate does not undertake to update any forward-looking statement or forward-looking information that is included herein, except in accordance with applicable securities laws.
