About Trinidad Drilling

Trinidad is a corporation focused on sustainable growth that trades on the Toronto Stock Exchange under the symbol TDG. Trinidad's divisions currently operate in the drilling sector of the oil and natural gas industry, with operations in Canada, the United States and internationally. In addition, through joint venture arrangements, Trinidad operates drilling rigs in Saudi Arabia and Mexico, and is currently assessing operations in other international markets. Trinidad is focused on providing modern, reliable, expertly designed equipment operated by well-trained and experienced personnel. Trinidad's drilling fleet is one of the most adaptable, technologically advanced and competitive in the industry.
