

HONG KONG, CHINA and CALGARY, ALBERTA--(Marketwired - May 14, 2017) - The Board of Directors of [Sunshine Oilsands Ltd.](#) ("the Corporation" or "Sunshine") (HKSE:2012) hereby announces the following:

WEST ELLS PHASE 1 POSITIVE PROGRESS - PRODUCTION VOLUME INCREASED BY 73% vs JANUARY 2017

The Corporation is pleased to announce that the daily production volume of West Ells Phase 1 project ("the Project") located in the Athabasca region of Alberta has exceeded 3,800 barrels per day (bbl/day) on May 15, 2017 (Hong Kong Time)/ May 14, 2017 (Calgary Time). This represented a more than 73% increase from the production level of 2,200 bbl/day that the Corporation announced in January 2017.

The Corporation's strategy is to ramp-up the production swiftly in order to capitalize on the recent oil price rebound. Sunshine expects the faster-than-expected production ramp-up would bring stronger revenue and cashflow for the Corporation.

Management expects West Ells Phase I to reach full production by end of 3Q 2017.

ABOUT SUNSHINE OILSANDS LTD.

The Corporation is a Calgary-based public corporation listed on the Hong Kong Stock Exchange since March 1, 2012. The Corporation is focused on the development of its significant holdings of oil sands leases in the Athabasca oil sands region. The Corporation owns interests in approximately one million acres of oil sands and petroleum and natural gas leases in the Athabasca region. The Corporation is currently focused on executing milestone undertakings in the West Ells project area. West Ells has an initial production rate of 5,000 barrels per day.

FORWARD-LOOKING INFORMATION

This announcement contains forward-looking information relating to, among other things, the plans and expectations of the Corporation. Such forward-looking information is subject to various risks, uncertainties and other factors. All statements other than statements and information of historical fact are forward-looking statements. The use of words such as "estimate", "forecast", "expect", "project", "plan", "target", "vision", "goal", "outlook", "April", "will", "should", "believe", "intend", "anticipate", "potential", and similar expressions are intended to identify forward-looking statements. Forward-looking statements are based on the Corporation's experience, current beliefs, assumptions, information and perception of historical trends available to the Corporation, and are subject to a variety of risks and uncertainties including, but not limited to those associated with resource definition and expected reserves and contingent and prospective resources estimates, unanticipated costs and expenses, regulatory approval, fluctuating oil and gas prices, expected future production, the ability to access sufficient capital to finance future development and credit risks, changes in Alberta's regulatory framework, including changes to regulatory approval process and land-use designations, royalty, tax, environmental, greenhouse gas, carbon and other laws or regulations and the impact thereof and the costs associated with compliance. Although the Corporation believes that the expectations represented by such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. Readers are cautioned that the assumptions and factors discussed in this announcement are not exhaustive and readers are not to place undue reliance on forward-looking statements as the Corporation's actual results April differ materially from those expressed or implied. The Corporation disclaims any intention or obligation to update or revise any forward-looking statements as a result of new information, future events or otherwise, subsequent to the date of this announcement, except as required under applicable securities legislation. The forward-looking statements speak only as of the date of this announcement and are expressly qualified by these cautionary statements. Readers are cautioned that the foregoing lists are not exhaustive and are made as at the date hereof. For a full discussion of the Corporation's material risk factors, see the Corporation's annual information form for the year ended December 31, 2016 and risk factors described in other documents we file from time to time with securities regulatory authorities, all of which are available on the Hong Kong Stock Exchange at www.hkexnews.hk, on the SEDAR website at www.sedar.com or on the Corporation's website at www.sunshineoilsands.com.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement appears for information purpose only and does not constitute an invitation or offer to acquire, purchase or subscribe for securities of [Sunshine Oilsands Ltd.](#)

(a corporation incorporated under the Business Corporations Act of the Province of Alberta, Canada with limited liability)
