

Calgary, Alberta (FSCwire) - Further to its News Releases dated May 23 and June 7, 2017, [Morro Bay Resources Ltd.](#) (the "Company") (TSXV: MRB, OTCPink: MRRBF) is pleased to announce that it has retained Wellington-Altus Private Wealth (the "Agent") to act as agent in connection with a best efforts private placement to raise gross proceeds of a minimum of \$500,000 and a maximum of \$3,000,000 (the "Offering") by way of subscription receipts (the "Subscription Receipts"). Pursuant to the Offering, the Company intends to issue up to a minimum of 833,333 Subscription Receipts and a maximum of 5,000,000 Subscription Receipts at a price of \$0.60 per Subscription Receipt. The minimum investment by a subscriber to the Offering is \$3,000 (5,000 Subscription Receipts). Each Subscription Receipt will be automatically exchangeable into units (the "Units") of the Company, on the basis of one Unit for each Subscription Receipt, upon the occurrence of certain events, including without limitation, the Company having received all approvals for the completion of the reverse takeover transaction between Morro Bay and Experion Biotechnologies Inc. (the "Experion") announced on May 23, 2017 and updated June 7, 2017 (the "Transaction") and the completion of a share consolidation on a ratio of approximately 4.9:1 (the "Consolidation") immediately after closing of the Transaction, but prior to conversion of the Subscription Receipts to Units. Approvals necessary to convert the Subscription Receipts to Units include receipt from the TSX Venture Exchange (the "Exchange") of the Final Exchange Bulletin relating to the Transaction, closing of the Transaction, and completion of the Consolidation.

Each Unit will consist of one common share and one-half of one common share purchase warrant (each whole common share purchase warrant hereinafter referred to as the "Warrant"), with each Warrant being exercisable to acquire one common share of the Company at a price of \$0.80 for a period of 9 months following the closing date of the Transaction.

In connection with the Offering, the Agent will be entitled to a corporate finance fee of \$20,000 and: (i) a sales commission of 7% of the gross proceeds of the Subscription Receipts sold by the Agent pursuant to the Offering to Persons not on the list of potential subscribers provided by the Company (the "President's List"); and (ii) a sales commission of 3.5% of the Subscription Receipts sold to subscribers on the President's List (all herein referred to as the "Agent's Commission"). The Agent will also be granted warrants to purchase Units in an amount equal to 7% of the Subscription Receipts sold by the Agent pursuant to the Offering to persons not on the President's List and 3.5% of the Subscription Receipts sold to persons on the President's List (the "Agent's Warrants"). The Agent's Warrants will have a term of 9 months from the closing of the Transaction and will be exercisable at the price of \$0.60 per Agent's Warrant. The Agent will also be reimbursed for its out of pocket expenses and the payment of all applicable sales taxes on the fees.

Additionally, the Company has agreed to grant to the Agent an option to cover over-allotments and for market stabilization purposes (the "Over-Allotment Option"), which will allow the Agent to arrange for purchasers to acquire up to 10% of the number of Subscription Receipts sold under the Offering. The maximum amount to be raised pursuant to the Over-Allotment Option is \$300,000 resulting in the issuance of a maximum of 500,000 Subscription Receipts. The Over-Allotment Option will be exercisable, in whole or in part, at any time up to 30 days after the closing of the Offering.

The Offering will be conducted pursuant to available prospectus exemptions under applicable securities laws, including sales to accredited investors and family, friends and business associates.

Completion of the Offering is subject to receipt of Exchange approval and other requisite approvals, and completion of Agent's due diligence. All of the securities issuable in connection with the Offering will be subject to a hold period expiring four months and one day after the date of issuance.

Upon closing of the Transaction, the proceeds of the Offering will be used to pay the expenses related to the Transaction and to proceed with the business of the post-Transaction company. Additional details concerning the proposed uses of the Offering proceeds were included in the Morro Bay News Release dated June 7, 2017.
