

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Jun 15, 2017) - [Battle Mountain Gold Inc.](#) ("Battle Mountain") (TSX VENTURE:BMG), announces that it intends to file a Form 15 with the Securities Exchange Commission (the "SEC") to voluntarily deregister its common shares under the Securities Exchange Act of 1934 (the "Exchange Act"), and that it intends to request that its common shares be removed from the OTC Pink® Open Market (the "OTC").

On June 14, 2017, Battle Mountain closed its previously announced plan of arrangement (the "Arrangement") with [Gold Standard Ventures Corp.](#) ("Gold Standard") (TSX VENTURE:GSV)(NYSE MKT:GSV), pursuant to which Gold Standard acquired all of the outstanding common shares of Battle Mountain. In addition, other than certain options to acquire common shares of Battle Mountain that were cancelled, options and warrants to acquire common shares of Battle Mountain became exercisable for common shares of Gold Standard, all in accordance with the terms of the Arrangement. Accordingly, as of the date hereof, all Battle Mountain common shares are owned by Gold Standard.

As a result of this filing, Battle Mountain's reporting obligations with the SEC, including its obligation to file annual reports on Form 20-F and reports on Form 6-K will be suspended immediately. Battle Mountain expects the termination of its reporting obligations to take effect no later than 90 days after the filing of the Form 15.

As a result of this filing, Battle Mountain expects that its common shares will no longer be quoted on the OTC. Pursuant to the instructions of the OTC, if Battle Mountain's common shares are still quoted on the OTC after Battle Mountain makes its request that its common shares be removed, Battle Mountain will contact Financial Industry Regulatory Authority (FINRA) Operations to investigate and, if appropriate, remove Battle Mountain's trading symbol from OTC trading and request that the OTC remove quotations of Battle Mountain's securities.
