About MAG Silver Corp. (www.magsilver.com)

[MAG Silver Corp.](#) is a Canadian exploration and development company focused on becoming a top-tier primary silver mining company, by exploring and advancing high-grade, district scale, silver-dominant projects in the Americas. Our principal focus and asset is the Juanicipio Property (44%), being developed in partnership with [Fresnillo Plc](#) (56%) and located in the Fresnillo Silver Trend in Mexico, the world's premier silver mining camp. We are presently developing the underground infrastructure on the property, with the operational expertise of our joint venture partner, [Fresnillo Plc](#), to support a 4,000 tonnes per day mining operation. As well, we have an expanded exploration program in place investigating other highly prospective targets across the property. In addition, we continue to work on regaining surface access to our 100% owned Cinco de Mayo property in Mexico while we seek other high grade, district scale opportunities.

On behalf of the Board of MAG SILVER CORP.
