Following the Combination, Mariana Options and Mariana Warrants will remain outstanding under their terms and any securities issuable upon exercise thereof have not been and will not be registered under the U.S. Securities Act or applicable state securities laws. As a result, Mariana Options and Mariana Warrants may not be exercised in the United States or by or on behalf of a US Optionholder or US Warrantholder, as applicable, nor may any New Sandstorm Shares issued upon such exercise be offered or resold in the United States or to or for the account of such a US holder, except pursuant to the terms of such security and pursuant to a registration statement under the U.S. Securities Act or an exemption from applicable registration requirements or in a transaction not subject to the registration requirements of the U.S. Securities Act and applicable state securities laws.

In addition, US Holders (including US Optionholders and US Warrantholders) should not assume that the courts of Guernsey: (a) would enforce judgments of United States courts obtained in actions against such persons predicated upon civil liabilities under the federal securities laws of the United States or applicable securities laws of any state within the United States; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under the federal securities laws of the United States or applicable securities laws of any state within the United States.
