Appointment of Auditor

By a ballot vote, shareholders voted in favour of re-appointing PricewaterhouseCoopers LLP as auditor, and authorized the Board to fix the auditor's remuneration for the ensuring year.

About Potash Ridge

Potash Ridge's strategy is to become a premier producer of potassium sulphate in North America. The Corporation owns two SOP projects: the Valleyfield Project that plans to produce SOP through the Mannheim Process; and the Blawn Mountain Project in Utah that plans to produce potassium sulphate by mining and processing alunite bearing rock. Potash Ridge has a highly qualified and proven management team in place with significant financial, project management and operational experience and the ability to take projects into production.
