28.06.2017 | Marketwired

MONTREAL, June 28, 2017 - Falco Resources Ltd. ("Falco" or the "Company") (TSX VENTURE: FPC) is pleased to announce that it has closed a C$5 million revolving credit facility (the "Credit Facility") with National Bank of Canada (the "Lender"), which will be secured by a hypothec in favour of the Lender over a collateral account maintained by the Company. The Credit Facility will be used to secure Falco's obligations in favour of Hydro-Québec in connection with certain electrical and engineering work to be performed with respect to the development of its Horne 5 project in Rouyn-Noranda, and, subject to third party consent, for other purposes consented to by the Lender. At this time, the Credit Facility will provide Falco with access to standby letters of credit and letters of guarantee issued by the Lender to Hydro-Québec on Falco's behalf. The Credit Facility is uncommitted, meaning that the Lender can in its sole discretion (i) terminate the Company's right to make requests for the issuance of letters of credit on same day notice, and (ii) decline a request from the Company for the issuance of a letter of credit.
