

Sydney, Australia (ABN Newswire) - Dr Degeling is an experienced Geologist with ten years gold and base metals exploration in the Pilbara, Yilgarn and Gawler cratons and the Mt Isa Inlier and the Lachlan Fold Belt. Dr Degeling has a strong academic background, with a PhD and 3 years research experience in geochemistry. Her experience in compiling and analysing data sets, as well as setting a high standard for statutory and company reporting with an excellent organisational and managerial skill set provides the Company with an outstanding field Geologist. Dr Degeling has worked in management and senior roles at CST Lady Annie project, MM Mining in Mt Isa, SRK as consultant Geologist and at the Indee Gold project in the Pilbara as Mine Geologist for Range River Gold.

Dr Degeling is interviewed by Julian Malnic at Diggers and Dealers 2017.
