

ALBUQUERQUE, N.M., Aug. 18, 2017 (GLOBE NEWSWIRE) -- [Santa Fe Gold Corp.](#) (OTC:SFEG), a U.S. based mining and exploration enterprise with emphasis on Gold, Silver, Copper, Precious, Industrial and Base metals and owner of multiple claims, including the Malone Mines complex incorporating 20 associated mine sites, the Playas Lake Bed area of Hidalgo County, New Mexico and a mine opportunity with a potential major Porphyry Silver discovery, is pleased to announce it has received in excess of \$2.57 Million converted to equity at prices close to market quotes from a private overseas investment company and a number of associated investors. This will enable the company to move ahead quickly to complete acquisitions of various properties previously reported as under acquisition, details of which will be announced shortly.

President and CEO Tom Laws Comments:

"This reflects a strong commitment and confidence in the future of Santa Fe Gold coming from a highly regarded investment source as the company continues to progress towards a restart of production per our previously announced plans around asset acquisitions and production ramp-up at a particularly opportunistic time for gold, silver and precious metals".
