

NEW YORK, Aug. 23, 2017 /PRNewswire/ -- OTC Markets Group Inc. (OTCQX: OTCM), operator of financial markets for 10,000 U.S. and global securities, today announced [Treasury Metals Inc.](#) (TSX: TML; OTCQX: TSRMF), a gold focused exploration and development company with assets in Ontario, Canada, has qualified to trade on the OTCQX® Best Market. Treasury Metals upgraded to OTCQX from the Pink® market.

Treasury Metals begins trading today on OTCQX under the symbol "TSRMF." U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on [www.otcmarkets.com](http://www.otcmarkets.com).

"Treasury Metals joins over 100 Canadian companies representing \$25 Billion in market capitalization that leverage their existing disclosure to efficiently cross-trade their shares in the U.S. on the OTCQX market," said Jason Paltrowitz, Executive Vice President of Corporate Services at OTC Markets Group. "Trading on OTCQX will enable Treasury Metals to expand access to their news and financial disclosure and build visibility with U.S. investors. We look forward to supporting the company and its shareholders."

Chris Stewart, President and Chief Executive Officer, stated: "With a Canadian gold project and a focus on expanding our shareholder base within the U.S., we are very pleased to now have direct access to this transparent and efficient quotation and trading platform providing improved accessibility and liquidity to our expanding US shareholders. As we advance our exciting Goliath Gold project into production, we are confident the OTCQX platform will increase our exposure and profile with U.S. private and institutional investors."

Treasury Metals was sponsored for OTCQX by McMillan LLP, a qualified third-party firm responsible for providing guidance on OTCQX requirements and recommending membership.

[Treasury Metals Inc.](#) is a gold focused exploration and development company with assets in Ontario, Canada and is listed on the Toronto Stock Exchange ("TSX") under the symbol "TML." [Treasury Metals Inc.](#)'s 100% owned Goliath Gold Project in northwestern Ontario is slated to become one of Canada's next producing gold mines. With first-rate infrastructure currently in place and gold mineralization extending to surface, Treasury Metals plans on the initial development of an open pit gold mine to feed a 2,500 per day processing plant with subsequent underground operations in the latter years of the mine life.
