VAL-D'OR, QC, Aug. 23, 2017 /CNW Telbec/ - [ABE Resources Inc.](#) (TSXV: ABE) (the "Company" or "ABE") is pleased to announce that it is taking steps to seek to list for trading on the TSX Venture Exchange (the "TSXV") the common share purchase warrants issued under the Company's private placement of units completed on May 11, 2017 (the "Warrants"). In order to complete the listing transaction (the "Listing"), the certificates representing the existing Warrants will need to be exchanged for common share purchase warrants issued under a warrant indenture to be entered into between Computershare Trust Company of Canada, as warrant agent, and the Company (the "Listed Warrants").

The Company will be forwarding documentation to the Warrant holders in the coming days with instructions on how to exchange the Warrants for Listed Warrants.

The Listing remains subject to the approval of the TSXV and a number of conditions, including the requirement that a minimum of 75 Warrant holders participate in the transaction and exchange their Warrants for Listed Warrants.

The Warrants remain subject to a hold period of four months and one day from the date of their issuance, which expires on September 12, 2017. In the event that the Listing is approved by the TSXV and a minimum of 75 Warrant holders submit the required documentation by September 4, 2017, the Corporation anticipates that the Listing will be effective on the TSXV as of September 12, 2017 (or as soon as possible thereafter).
