

# Northern Sphere Mining Corp. Announces Approval for Listing on the OTCQB

07.09.2017 | [Newsfile](#)

Toronto, September 7, 2017 - [Northern Sphere Mining Corp.](#) (CSE: NSM) (OTCQB: NSMCF) ("Northern Sphere" or the "Company") is pleased to announce that the Company's common shares have been approved for trading on the OTCQB Venture Market (the "OTCQB") in the United States under the symbol "NSMCF" effective September 7, 2017.

Listing on the OTCQB is part of Northern Sphere's overall strategy to increase its potential audience of international investors. It will provide the Company with a significant trading platform for its current shareholders and future investors from the U.S. and internationally.

The OTCQB is the ideal marketplace for emerging U.S. and international companies. To be eligible for the OTCQB, companies must be current in their reporting obligations with the U.S. Securities and Exchange Commission, meet a minimum price bid test and undergo an annual verification and management certification process. These quality standards and appropriate regulations coupled with a solid technical platform provide investors with a high level of confidence and enhance their trading experience.

Northern Sphere will continue to trade on the Canadian Securities Exchange under its current symbol "NSM".
