About VR Resources

[VR Resources Ltd.](#) ("VR") is a new listing in the junior exploration space (TSX-V:VRR) (Frankfurt:5VR). The diverse experience and proven track record of its Board and Management in early-stage exploration and discovery is the foundation of VR. The Company is focused on exploring large copper-gold mineral systems located in the western United States. VR is the continuance of 4 years of active exploration in Nevada by a Vancouver-based private exploration company. VR is well financed for a two year exploration strategy already in-place, including first-pass drilling of its core asset, the Bonita Property. VR owns its exploration assets outright, and will evaluate new opportunities on an ongoing basis, whether by staking or acquisition.
